

FORK LIFT LICENCE (LF)

TLILIC2001A Licence to operate a forklift truck

DESCRIPTION

In this three day NSW WorkCover course you will learn the skills and knowledge required to operate a forklift including checking forklift condition, driving the forklift to fulfill operational requirements, monitoring site conditions and monitoring and maintaining forklift performance.

If you're working in an occupation where forklift driving is required and you do not hold a current NSW WorkCover national certificate of competency for LF Class Forklift, then this is the course for you.

ELIGIBILITY

You are eligible to obtain a licence if you:

- ✓ Are at least 18 years of age
- ✓ can use English at a level that enables the safe performance of high risk work
- ✓ have the necessary knowledge and ability to safely perform the high risk work
- ✓ have been assessed as competent by an assessor working for Len's Driving School using the relevant assessment instrument under realistic workplace conditions

100 Point Check

For any High Risk Course you must complete an evidence of identity (EOI) form and present original documents showing your name, photo, date of birth, signature and current address to the value of 100 points to the trainer or assessor before you start your training:

- ✓ You must provide original documents, not photocopies or certified copies.
- ✓ Commonly used combinations of evidence of identity documents include: an Australian birth certificate and an Australian driver's licence, or an Australian drivers licence, Medicare card, ATM card and utilities bill.

TRAINING AND ASSESSMENT

This licence will allow you to operate a forklift truck safely including driving and manoeuvring, picking up and placing of loads at various stack heights. You will learn:

- ✓ Identification of Workplace Hazards and Risk Management
- ✓ Machine types and licence classes
- ✓ Forklift Stability
- ✓ Forklift Data Plate, Checklists and Pre Checks
- ✓ Workplace Hazard Identification and Forklift Truck Pre-Start Checks
- ✓ Mounting/Dismounting the machine
- ✓ Operating Controls
- ✓ Travelling in machine
- ✓ Danger points and positioning when steering
- ✓ Basic positioning of machine, shut down and secure forklift truck procedures
- ✓ Shift loads
- ✓ Correct post-operational, shutdown and site security procedures
- ✓ Operation, Shut down, Secure

On successful completion of this course, participants receive a WorkCover NSW Notice of Satisfactory Assessment (NSA) which is valid for 60 days. A \$65 fee is payable to Australia Post for the licence card which is nationally recognised.

WHAT TO BRING
